

Our Tai Chi Song

Words by Nathan Winter

To the tune of Jackie Wilson's; Higher

Grandmaster Khor ,
Found what he was searching for,
In 1976 ,
He opened up the door.
To the Australian, Academy,
of Qigong and Tai Chi
He's shared with us the treasures,
For all the World to see!

(Chorus)

Breathing ChiCHI, CHI, CHI,
Feeling ChiCHI, CHI, CHI,
Moving Chi....CHI, CHI, CHI,
Living Tai ChiCHI, CHI, CHI,

Use it or lose it,
Master Rod would say!
He's teaching us the secrets,
To help us though our day!
He earnt his title,
through many years of dedicay ,
Sharing the gifts of Tai Chi,
All along the way!

(Chorus)

Breathing ChiCHI, CHI, CHI,
Feeling ChiCHI, CHI, CHI,
Moving Chi....CHI, CHI, CHI,
Living Tai ChiCHI, CHI, CHI,

To the instructors and the helpers,
Who dedicate their time,
Sharing what they too have learnt,
To help broaden other minds!
They too,
Have stood where you are today,
They've learnt the benefits of Tai Chi,
And share it the Khor way!

(Chorus)

Breathing ChiCHI, CHI, CHI,
Feeling ChiCHI, CHI, CHI,
Moving Chi....CHI, CHI, CHI,
Living Tai ChiCHI, CHI, CHI,

Tai Chi helps us,
In so many different ways.
Moving mind body and breath,
During our Tai Chi plays.
When you feel the Chi,
Its then that you will see,
It's more than just an exercise,
It helps you open up your eyes!

(Chorus)

Breathing ChiCHI, CHI, CHI,
Feeling ChiCHI, CHI, CHI,
Moving Chi....CHI, CHI, CHI,
Living Tai ChiCHI, CHI, CHI,
