

China Tour Testimonial

CT April 2013

Hello Gary and Wendy,
I just wanted to express my gratitude for providing a wonderful experience in China.

The effort required to organise, co-ordinate and manage such an event is extremely time consuming and I simply wanted to say what a fabulous job you both did and how much I

appreciated your efforts to provide us all with a contented travelling experience.

The accommodation was clean, safe and very comfortable, the food delicious but not too daring and the sights and experiences will be forever memorable.

Our guides worked extremely hard to cater for everyone's wants and needs and still managed to smile at the end of every exhausting day. (Ollie especially – who deserves a medal for his patience and persistence.)

The behind scenes hiccups such as; dealing with unexpected illness etc...were dealt with devoid of fuss and with compassion.

Once again your time, effort and organisational skills need to be commended. I just need to find the time to sort through all my photos!

Thank you,

Karen Graham
